Bachelor in Computer Science | UET Abbottabad | Undergraduate

Intermediate
2023-P

Intermediate in Computer Science | Bahria College Karsaz Karachi, Hadaf College Peshawar

Matriculation
2021-2023

Matriculation in Computer Science | Gulistan Shah Abdul Latif School

PROFILE

Aspiring Cybersecurity Enthusiast | Beginner-Level Training Experience, being a Computer Science student. I have completed a short introductory cybersecurity training at Digitech Infra Associates Karachi, which gave me basic knowledge and sparked a strong interest in the field. I like understanding how security works and hope to pursue it more seriously in the future. I also like web designing and video editing, and I am building my skills in Python, HTML, CSS and Adobe Premiere Pro through practice and small projects.

EXPERIENCE

As a Video Editor
2021-Present

Collaboration with Investors Lounge & Cybernet (Stormfiber), designing some event videos.

As a Python Developer
2024-Present

Mini Practice Projects like Rock, Paper, Scissor | Fuel Station Billing | Restaurant Management System.

CERTIFICATIONS

Python (Basics), provided by Coursera.
